Headteacher: Mrs Julie Williams

13 January 2017

Dear Parents,

Year 6 Living and Growing

The 1993 Education Act requires Sex Education to be provided as part of the National Curriculum.

At Horrington, with the agreement of the Governors, we cover this area of the Curriculum during the latter part of year 6 using a programme entitled "Living and Growing (Sex Education)".

Parents may wish to view the teaching materials or discuss this area of the curriculum with the class teacher, or headteacher, as they have a right to withdraw their son/daughter from this element of the Science Curriculum if they wish.

We intend starting this programme of study in the week commencing 23rd January. Please let us know in writing should your preference be to withdraw your child.

Yours sincerely

Mrs Julie Williams
