

HORRINGTON PRIMARY SCHOOL
Academy 1.5.13.

In-year Admissions

(These are admissions for places in school aside from the initial admission of Reception children each September)

Applications for a place during the academic year must be made directly to the school office, by completing the Governors in-year application form. A copy can be downloaded from the school website or collected/sent from the school office. The Governors' Admissions Committee will consider applications on a weekly basis with a closing date of 4pm every Friday.

Applicants will receive a written response, where possible within 10 school days following receipt of the application. Where a school place is offered it will be held open for 14 school days and applicants will need to confirm acceptance within this time.

For any other admissions enquiry please contact the school by telephone to resolve any questions or concerns.

At present the school is using the LA guidelines for Admissions – please see attached.
