

Early Bird (Before School Care) Parent Consultation

We are interested in gauging parental interest in a before school care provision at Horrington.

The session would start between 8:00 and 8:15 (No drop-offs after 8:15 due to the morning stop and drop system in the car park) until the start of the school day. The cost of the session would be in the region of £3- £4 per day.

If you would be interested in the above, please complete and return the response slip below.

Thank you

Julie Williams

Headteacher

Early Bird (Before School Care) Parent Consultation

I would be interested in using a 'Before School Care' provision if this were available at the school.

Name of pupil/ pupils	
Year group/s	
Parent/ carer signature	
Any comments?
