Rocktopus

We had an energetic and fun-filled assembly with Rocktopus on Monday morning this week. The children created a Horrington song linked to our four Cs (Being caring, connected, creative and can-do) and this was recorded during the assembly. If you would like to listen to their song, your child has been given a small black card to take home containing details of the web link.

We look forward to Rocktopus working with us again later this term to create some sport-themed Horrington songs (complete with actions). The children will then be able to use in the morning exercise time before school.

HSA reminder

The HSA are holding their AGM on Tuesday 16th October at 2pm in the school hall. Please do come along and see how you can get involved and help to raise money for the school.

The Somerset Poppies Remembrance Project

Thank you for all your Mufti Day contributions for this project. We will let you know how much we raised next week. The children will be making their poppies over the next week ready for the display at The Bishop's Palace from 11th – 25th November.

Christmas Cards

Christmas cards made the children have been sent home today. If you would like to order these, please return the enclosed slip by 19th October. Thank you.

RWInc session for parents in Reception and Year 1

A separate letter is attached and has been sent home in book bags with details of a parent information session for Reception and Year 1 parents.

Open classrooms, events and visits

Please see 'Dates for your Diary' for the upcoming activities and events for each class. Letters with more information are attached and others will follow next week. We hope lots of parents will be able to join us for the open classrooms where the children will be sharing their learning from this term.

Yours sincerely

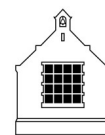

Julie Williams
Headteacher
