Each child should complete:

- A ten minute daily live Speed Sounds lesson (stored for 24 hours) via Facebook and youtube (use the youtube link as this is more direct) – see below for the correct option
- Phonics e-books matching the books your child receives from school – read one book a week in the given order.

The following are additional activities if you have additional time:

- A poem to watch being performed (on the youtube page with the Speed sound lesson above)
- Speed Sound practice worksheets
- A Speedy Green Word slide show

There are also additional videos and resources to support parents.

Children across Years R, Year 1 and some Year 2 are in phonics groups. Please see below for the right place you should access your child's home learning on this site:

Once you have followed the above link, scroll down half a page to where it says: ***Try to start in the right place for your child***
