

## Maths activities- Week 3: Week beginning 20<sup>th</sup> April 2020

Daily - Multiplication games on purple mash (you can set the times table you wish to challenge yourself with and also change the speed in which you have to complete it)

Once a week - complete the multiplication '2Do' activity. Your score will be sent through to your teacher automatically

Once a week- Please complete the purple mash activities in the '2Do' area of your login. (Three in total)

Please complete lesson 1 and 2 on White Rose Hub <https://whiterosemaths.com/homelearning/>. Those wanting a further challenge may want to do all five of the weekly lessons. There are corresponding videos to watch to support your children with this work and answers are also provided.
