

## Maths activities- Week 4: Week beginning 27<sup>th</sup> April 2020

Daily - Multiplication games on purple mash (you can set the times table you wish to challenge yourself with and also the change the speed in which you have to complete it)

Once a week - complete the multiplication '2Do' activity. Your score will be sent through to your teacher automatically

Once a week- Please complete the 2 purple mash activities in the '2Do' area of your login. (Two in total)

Please complete lesson 1 and 2 on White Rose Hub <https://whiterosemaths.com/homelearning/>. Those wanting a further challenge may want to do all five of the weekly lessons. There are corresponding videos to watch to support your children with this work and answers are also provided.
