# KS1 Topic plan

## The Senses

2<sup>nd</sup> June 2020

	Topic input for all children	Year 1 topic activity	Year 2 topic activity
Monday	Inset Day today PSHE - Only One You <a href="https://www.loom.com/share/14849d410e224b98b277a70431189b6b">https://www.loom.com/share/14849d410e224b98b277a70431189b6b</a>		
Tuesday	<p><b>PE/physical challenge</b></p> <p>At school, we use the REAL PE scheme and they have opened access to families to use this planning whilst home-learning using the link and password below. Please have a look through the lessons and complete one lesson per week. You may find it easier to complete one lesson per family per week and take part in the lesson with your siblings, or you may like to do a lesson by yourself.</p> <p>The lessons are split into short 10 - 15 sections which could be taught all together or split across the day or the week.</p> <p>The Log In details for your parents are as follows:            Site: <a href="http://home.jasmineactive.com">home.jasmineactive.com</a>            Log In: <a href="mailto:parent@horrington-1.com">parent@horrington-1.com</a>            Password: horrington</p> <p>There is also a "<a href="#">realPE at home - tips and ideas</a>" public group on Facebook for parents to make use of with the chance to win prizes for sharing their exploits with their children at home. This group has been made by realPE staff and is not related to Horrington School.</p>		
Wednesday	<p><b>Science</b></p> <p>Watch these clips <a href="https://www.bbc.co.uk/bitesize/clips/z2fnvcw">https://www.bbc.co.uk/bitesize/clips/z2fnvcw</a></p> <p><a href="https://www.bbc.co.uk/bitesize/topics/z9yycdm/articles/zxy987h">https://www.bbc.co.uk/bitesize/topics/z9yycdm/articles/zxy987h</a></p> <p>or use the internet (with adult supervision) or a book to find out about your 5 senses.</p> <p>Use your sense of smell in your garden or when you are out for a walk. Sniff all the flowers and plants. Decide which smell good and which don't! Describe how they smell to your adult.</p>	<p>Carefully draw and colour one of flowers you found that you think smells the best.</p> <p>Label each part of the flower. Discuss with your adult what each part is for.</p>	<p>Choose 5 flowers/plants from your exploring.</p> <p>Draw them or take photographs of them and place them in order - from worst smelling to best smelling.</p> <p>Imagine life with no sense of smell. What smells would you miss? Explain in a poem, list or explanation.</p>

<p>Thursday</p>	<p><b>PE/physical challenge</b>  Imagine you were a mole! You will not have a very good sense of sight!  Make a trail around your house or garden for your parents or sibling to follow. On the way they have to use their senses of touch, smell, taste and hearing to guess the items you have laid along the way. (They may need a blindfold so they don't cheat!).</p>	<p>Draw a picture of the trail you created, once it has been completed. Show the items your partner had to guess.</p>	<p>Design your trail first before you make it to ensure you use all the senses (apart from sight!). Then take your partner on the trail.</p>
<p>Friday</p>	<p><b>Art/music</b>  Listen to this piece of music using your sense of sound  <a href="https://www.youtube.com/watch?v=NugFCpcC6SQ">https://www.youtube.com/watch?v=NugFCpcC6SQ</a>    or find a piece of your own from home.    Then listen again and draw what the music makes you imagine.  It could be a place  An event  A journey  A feeling ...</p>	<p>Choose one part of your picture and reproduce it but twice the size than last time.    Add colour that reflects the music.    e.g - sad might use blues  exciting might use yellows  sad might use purples</p>	<p>Choose one part of your picture and reproduce it but twice the size than last time.    Add colour that reflects the music.    Write a caption for your picture that explains it on just a few words.</p>
