Friday: BBC Bitesize- Challenge of the Week

Extra Challenges:

For extra corresponding maths activities, worksheets and support, you can visit BBC Bitesize:

<https://www.bbc.co.uk/bitesize/dailylessons> who have teamed up with White Rose Hub. A suggestion of what can be found on the BBC Bitesize website is below:

- Video tutorial/s, as well as a written explanation with examples:
- A Collins study book to give you further support:
- Corresponding practise activities and/or worksheets:

Further your knowledge of negative numbers and counting sequence with this study book from Collins®.

Rising Stars maths challenges - an optional activity if children and parents would like to use these. Please see the attached pdf docs.

Year 3 - M-Pods

Year 4 - Destination - Olympus Mons

Year 5 - S.I.D.'s feeling a bit flat

Year 6 - Getting 'Ship-Shape'

Feel free to keep accessing Purple Mash to practise times tables and try out other activities too! We have kept this on our example timetable as an option.

www.timetables.co.uk is another useful website for times table games/ideas.
