

Maths work- Week 5 (04.05.20)

Please complete lesson 1 and 2 on White Rose Hub <https://whiterosemaths.com/homelearning/>. Those wanting a further challenge may want to do all five of the weekly lessons. There are corresponding videos to watch to support your children with this work and answers are also provided.

Year 3 - Convert pounds and pence/ Add money- Summer Term Week 3
Year 4 - x 2 digit by 1 digit number/x 3 digit by 1 digit-Summer Term Week 3
Year 5 - x 2 digit numbers/ x 4 digit numbers- Summer Term Week 3
Year 6 - Simplify fractions/ compare and order fractions- Summer Term w3

x1 weekly- please continue to use the CGP books to support children's learning on the following pages this week:

- Year 3: Pg 18-20 (Mental addition and subtraction)
- Year 4: Pg 18-20 (Written addition and subtraction)
- Year 5: Pg 12-14 (Written and mental addition and subtraction)

Year 6: Can do SATS - 4.1-4.4 and 11.1 - 11.4

Extra Challenges:

For extra corresponding maths activities, worksheets and support, you can visit BBC Bitesize:

<https://www.bbc.co.uk/bitesize/dailylessons> who have teamed up with White Rose Hub. A suggestion of what can be found on the BBC Bitesize website is below:

- Video tutorial/s, as well as a written explanation with examples:
- A Collins study book to give you further support:

Further your knowledge of negative numbers and counting sequence with this study book from Collins.

Corresponding practise activities and/or worksheets:

Rising Stars maths challenges - an optional activity if children and parents would like to use these. Please see the attached pdf docs.

Year 3 - Exploring in the Martian Rover

Year 4 - On top of Olymous Mons

Year 5 - A 'delivery' from Earth

Year 6 - Constructing a drill

Feel free to keep accessing Purple Mash to practise times tables and try out other activities too! We have kept this on our example timetable as an option. www.timetables.co.uk is another useful website for times table games/ideas.
